IMI Now Ranks 19th on Top EMS List

April 5, 2022, Laguna, Philippines —Integrated Micro-Electronics Inc. (IMI), one of the leading global technology and manufacturing solutions experts, today announced that it now ranks 19th in the latest *Manufacturing Market Insider's* top 50 list of EMS companies in the world based on 2021 revenues.

The company has moved up from its previous rank of 21st in the list for 2020.

IMI recorded \$1.3 billion in global revenues for 2021, a 15 percent year-on-year growth.

The global top 50 largest electronics manufacturing services (EMS) companies have reached US\$416 billion in 2021, up 9.9% from US\$ 379 billion in 2020.

Manufacturing Market Insider is the first and only publication dedicated to contract manufacturing of electronics.

About IMI

Integrated Micro-Electronics, Inc. (IMI), the manufacturing arm of AC Industrial Technology Holdings, Inc., a wholly-owned subsidiary of Ayala Corporation, is among the leading global technology and manufacturing solutions expert in the world.

IMI specializes in highly reliable and quality electronics for long product life cycle segments such as automotive, industrial electronics and more recently, the aerospace market.

From its 22 manufacturing plants across ten different countries, IMI provides engineering, manufacturing, and support and fulfillment capabilities to diverse industries globally.
