Subject: 2018 Third Quarter Progress Report on the Use of Proceeds

We are pleased to submit our Third Quarter Progress Report on the application of proceeds certified by our external auditors pursuant to the Undertaking executed by Integrated Micro-Electronics, Inc. (IMI) in relation to its Stock Rights Offering covering 350,000,000 common shares listed at the Philippine Stock Exchange on March 2, 2018, which generated total proceeds of ₱4.998 billion.

For the quarter ended September 30, 2018, the application of the net proceeds was used for Capital Expenditures amounting to \$15,959,583.

The remaining balance of the proceeds amounting to ₱1.48 billion (\$27.42 million) are placed in various time deposits for varying periods up to three months and earns interests at the respective short-term investment rates ranging from 1.70% to 4.00% per annum.

The disclosure is being submitted in compliance with the requirements of the Securities and Exchange Commission and the Philippine Stock Exchange.

Thank you.

Very truly yours,

A handwritten signature in black ink, appearing to read 'Anthony Rodriguez', is written over the typed name and title.

REPORT ON ACTUAL FINDINGS

The Stockholders and the Board of Directors
Integrated Micro-Electronics, Inc.
North Science Avenue
Laguna Technopark
Biñan, Laguna

We have performed the procedures agreed with you and enumerated below with respect to the attached Progress Report on the Use of Proceeds for the period as of September 30, 2018, (the “Quarterly Progress Report”), on the application of proceeds from the stock rights offering of Integrated Micro-Electronics, Inc. (the “Company”). The procedures were performed solely to enable the Company to comply with the Philippine Stock Exchange, Inc.’s (PSE) requirement to submit an external auditor’s certification on the information being presented by the Company relating to the application of proceeds. Our engagement was undertaken in accordance with the Philippine Standard on Related Services (PSRS) 4400, Engagement to Perform Agreed-upon Procedures Regarding Financial Information, applicable to agreed-upon procedures engagements. These agreed-upon procedures and results thereof are summarized as follows:

1. Obtain a copy of the Use of Proceeds (the “Plan”) from the stock rights offering relating to the common shares of the Company.
2. Obtain the Quarterly Progress Report and check its mathematical accuracy. Compare figures indicated in the Progress Report for capital expenditures and repayment of bank debts of the Company and its subsidiaries (collectively referred to as the “Group”) to totals per supporting schedules.
3. Validate the details of the schedule of capital expenditures and repayment of bank debts of the Group for each of the quarters:
 - **Capital Expenditures**
 - Select samples exceeding \$60,000, which is the set threshold for capital expenditures that requires approval of managing director and chief operations officer. The threshold is adjusted (+ or – 5%) depending on the volatility of the foreign exchange rate as compared to USD on the period covered. If the total selected samples is below 50% of the total capital expenditures, select the next top capital expenditures of the operating site with the highest amount of capital expenditure during the period.
 - Trace the selected samples and to the purchase order and invoices and check if proper processing and approval was made based on our understanding of the acquisition of property, plant and equipment process of the Group. The purchase order should be duly signed by the designated approver (managing director of the project) and should match the related invoices pertaining the capital expenditure.

- **Repayment of bank debts**
 - Select all disbursements from each of the quarters related to the repayment of bank debts of the Group.
 - Trace the disbursements to the official receipts as proof of payment issued to the Group.
- 4. Obtain the list of short-term investments as of the periods covered earmarked for capital expenditures and repayment of bank debts of the Group and match the total remaining balance of the proceeds to the Progress Report.
- 5. Check the mathematical accuracy of the list of short-term investments as of the periods covered, and trace to the Letters of Instructions (LOI), which were acknowledged by the banks.

We report our findings below:

1. With respect to item 1, we obtained a copy of the Plan from the stock rights offering relating to the common shares of the Company. We noted from the Plan that the Company intends to use the net proceeds of \$96.1 million (P4.998 billion) for capital expenditures and repayment of bank debts of the Group. No exceptions were noted.
2. With respect to item 2, we found that part of the proceeds were applied to capital expenditures of \$15.96 million during the third quarter of 2018.
3. With respect to item 3, we found that the Progress Report matches the schedule of capital expenditures. We selected our samples by covering majority of the population with high amount and agreed these capital expenditures with the related supporting documents. All planned allocation for repayment of debts were used during the previous quarter. No exceptions were noted.
4. With respect to item 4, below is the list of short-term investments as of September 30, 2018 earmarked for planned capital expenditures and repayment of bank debts of the Group:

Balance as of September 30, 2018

Short-term Investment	Original Currency	Local Currency
United States Dollar-denominated short-term investments	\$9,200,000	₱496,984,000
Philippine Peso-denominated short-term investments	₱984,395,001	₱984,395,001
Total		₱1,481,379,001

We have validated and matched the total remaining balance of the proceeds presented in the Progress Report. No exceptions noted.

5. With respect to item 5, we found that the list of short-term investments as of September 30, 2018 for the remaining short-term investments are mathematically accurate and are properly supported by LOI, where were acknowledged by the banks. No exceptions noted.

Because the above procedures do not constitute either an audit or a review made in accordance with Philippine Standards on Auditing (PSA) or Philippine Standards on Review Engagements (PSRE), respectively, we do not express any assurance on the accounts of the Company or its financial statements, taken as a whole.

Had we performed additional procedures or performed an audit or review of the financial statements in accordance with PSA or PSRE, other matters might have come to our attention that would have been reported to you.

Our report is intended solely for the purpose set forth in the first paragraph of this report and for your information and is not to be used for any other purpose or to be distributed to any other parties who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. This report relates only to the report on the Company's use of proceeds from the offering and items specified above and do not extend to any financial statements of the Company taken as a whole.
